

How to send bitcoin from huobi to CCEX 如何从BTC中国发送比特币给CCEX

The screenshot shows the Huobi trading platform interface. At the top, the navigation bar includes 'Home', 'CNY Spot', 'USD Spot', 'Finance', and 'Security'. The 'Security' menu is highlighted, and an arrow points to it from a box containing the text '请点击' (Please click). Below the navigation bar, a progress bar indicates the user's status: 'Update profile' (checked), 'Security Settings' (checked), 'ID Verification' (3, highlighted in orange), 'Deposit' (4), and 'Trade'. A notification banner reads: 'Notification : New feature launched : Self-defined bitcoin transaction fee'. The main content area is divided into three sections: 'Limit Price' (selected), 'Market Price', and 'Flash Trade'. The 'Limit Price' section shows 'Available 0.00 CNY' and 'Available 0.0000 BTC'. The 'Market Price' section shows 'Last Price ¥2922.00↓' and 'Depth 0'. The 'Flash Trade' section shows a list of orders: Sell5 (¥2922.30, 0.6362), Sell4 (¥2922.26, 13.1224), Sell3 (¥2922.20, 0.0390), Sell2 (¥2922.01, 2.0000), Sell1 (¥2922.00, 48.5438), Buy1 (¥2921.97, 0.5990), Buy2 (¥2921.90, 0.0010), Buy3 (¥2921.85, 0.2000), and Buy4 (¥2921.81, 11.0000). The left sidebar contains 'BTC Trading' and 'LTC Trading' sections with sub-options like 'Buy/Sell', 'Market Depth', 'My Orders', and 'Trade Records'.
